

**BOROUGH OF WASHINGTON,
WARREN COUNTY, NEW JERSEY
SHADE TREE COMMISSION AGENDA**

JUNE 12, 2017

Minutes: Regular Meeting – May 8, 2017

Communications:

1. Property Owners (Christopher & Lauren Cannavo) written request to trim a large Maple Tree located in the right-of-way area. They intend to use a reputable tree service to prune the Maple tree at their own expense.

Old Business

1. Community Stewardship Incentive Program Grant Update
2. 17 Lambert Street Unsuitable Replacement Trees
3. Tree Maintenance Quotes
4. 2016 Purchase Order for Tim Terry - Plan for Last Year's Encumbrance

New Business:

1. 196 Belvidere Ave.- Owner (Angela Russo) requests trimming a town tree. The branches are leaning on her roof. Also, the branches hang over the sidewalk when the leaves are wet and heavier.
2. 89 Grand Avenue – Owner (Laurie Macko) requests trimming or possibly removing a town tree. The tree roots are affecting her driveway and would prefer to have the tree removed.
3. 120 Harding Drive – Owner (James Conway) requests to have 2 town trees trimmed. Both trees appear to have a lot of dead branches that have fallen.
4. 77 Alvin Sloan Ave. - Owner (Fameeda Ali) reported a dead tree in the right-of-way area. The owners would like it replaced and may consider planting one at their own expense. They were sent a booklet of suitable street trees and a letter stating that the tree must be 3” caliber. The tree selection and planting location must also be approved by the Shade Tree Commission.
